Coastal Cup Tournament Rules at a Glance

- 1) This tournament will use USA Hockey Inline playing rules with the following additions and exceptions (for a complete list of all Coastal Cup rules and procedures, please see the Coastal Cup web site).
- 2) **Coastal Cup features On-Time scheduling.**
All games will start at their scheduled time. You no longer need to be ready to play 30 minutes ahead of schedule.
- 3) If you are not prepared to play at the end of the warm-up period, you will be assessed a delay of game penalty. If you are not prepared to play five minutes after the warm up period, you will be assessed a second delay of game penalty. If you are not prepared to play 10 minutes after the warm up period, you will be subject to forfeit.
- 4) Teams must provide their own warm-up pucks.
- 5) There is a eight-goal mercy rule. If a team is ahead by eight goals, the game ends. Teams will be allowed to finish the first half of play, but the game is officially over when the score differential reaches eight goals. Any penalties, including misconducts, that occur during extra time will be enforced.
- 6) Games will be two 15:00 minute halves, running time. The clock will stop in the last two minutes of the game if the score is within one goal.
- 8) There are no timeouts permitted until the playoffs.
- 9) There will be a one-minute halftime break.
- 10) There will be a three-minute warmup period.
- 11) The order of finish is determined by the following tiebreaker:
 1. Total number of points (2 for a win, 1 for a tie, 0 for a loss)
 2. Head to head record (in order for this tiebreaker to apply, all tied teams must have played each other an equal number of times)
 3. Fewest goals allowed
 4. Most goals scored
 5. Fewest Penalty Minutes
 6. Four man shootout (this is only used if the tiebreaker is to determine who advances to the playoffs. If the tiebreaker is only to determine seeding for the playoffs, a coin flip shall be used instead.)
- 12) **Fighting will result in automatic ejection from the tournament.** Fighting is a broad term that the referees have wide latitude in determining.
